JOINT WINNER:
THE JUDGES' AWARD
Living Kitchen Range

The Living Kitchen range is the result of a collaboration between cookery writer Nigella Lawson and product designer Sebastian Conran. Judges praised the pair for their success

in creating everyday objects – ranging from mixing bowls to chopping boards – that are a pleasure to use. Better still, they don't rely on unnecessary styling or gimmicks to set themselves apart, just good looks, ergonomic design and high-quality materials.

Enamel kitchen utensils, £40 set of six; citrus juicer, £10; enamel pot, £11.75; tea towels, £20 set of four; all Living Kitchen at Bliss. **RIGHT Measuring cups**, £29.99 set of four, Living Kitchen at Bliss. ▶
